2014 - 2017

Primary airports in Houston and Dallas responded to their continued growth demands by adding and updating concessions areas.

For the George Bush Intercontinental Airport in Houston, DECON designed the structural components for eight different restaurants in Terminals B, C, D and E:

- Urban Crave Restaurant – Terminal E
- Grand Comptoir Restaurant – Terminal E
- Terminal E concessions several (6)
- Pizza Vino Restaurant Terminal C
- Tony’s Restaurant – Terminal D
- The Breakfast Club – Terminal B
- Eight Terminal C concessions
- Hard Rock Café – Terminal B

DECON also provided similar engineering services in the Dallas Fort Worth Airport for two concessionaires:

- DFW Pappasitos Restaurant
- DFW Pappadeaux Restaurant
